

Why Choose Culligan Water?

Your home's tap water is something that often gets overlooked. However, its more essential than one may think. We use it to drink, bathe, and wash, everyday! And, having bad water can create more work. So, what makes Culligan Water stand out among the rest of water treatment companies?

We Are YOUR Local Water Experts, since 1936!

When you choose Culligan, you are working with an industry leader. Culligan holds more patents on water treatment equipment and processes than anyone else in the world. Your local Culligan water experts are actively involved and hold leadership positions in many different industry associations, including the Water Quality Association (WQA).

Our Service Will Always Exceed Your Expectation.

You can expect prompt arrival, friendly service and trustworthy help with our salt and water delivery services. We will work with you to diagnose the water issues unique to your home, so we can recommend personalized solutions within your budget. Every Culligan product you choose is backed by its own Limited Lifetime Warranty.

You Can Trust Our Culligan Technology.

If you suffer from hard water, we're proud to offer the best water softeners on the market, including the Culligan High Efficiency (HE) model - which is 46 percent more efficient than other popular brands. Considered a Consumers Digest Best Buy, the dependable performance of our HE softener is backed by one of the most extensive warranties in the industry. Additionally, you can rest assured knowing our Culligan Reverse Osmosis (RO) systems are certified to reduce every EPA-regulated contaminant, more than 100 in total.
