

## How Water Plays Into Your Spring Look

Spring is finally here! As temps rise, you'll probably find yourself reaching for more water—and that's great news for more than just your hydration. Clean, refreshing water can give your hair, nails, and skin a seasonal glow-up, too. Tap to discover how staying hydrated can revitalize more than just your spring wardrobe.

## Our Power, Our Planet - Earth Day 2026

Earth Day is a great reminder that small actions can make a big difference for our planet. With Culligan, enjoying better water also means supporting sustainable solutions that reduce waste and conserve resources.

This Earth Day, consider simple steps like using refillable water bottles and being mindful of water use. Together, we can make a positive impact—one drop at a time.

Visit [earthday.org](http://earthday.org) for resources and info about events!

Culligan. **90** Years

In 2026, Culligan celebrates 90 years of innovation. Since introducing the first home water softener in 1936, we've grown alongside the communities we serve.

Our mission is simple: make the world better, one drop at a time,  
by improving water quality and enriching everyday life.

Thank you to all our customers for being an essential part of our story.
